School authorities are always on the lookout to keep the parents and guardians of their students aware and informed about the various expenses to meet their expectations. Parent contact forms are such useful documents that provide details about the various structure of payments that they need to pay to the school. These forms are also used to ask for valuable feedback of the parents regarding the quality of education, fitness, faculty, extracurricular activities, etc, in the school. You can use the form templates for drafting efficient contact forms for the parents with ease! 73+ FREE FORM Templates - Download Now Adobe PDF, Microsoft Word (DOC), Excel, Google Docs, Apple (MAC) Pages, Google Sheets (SPREADSHEETS), Apple Numbers Table of Contents: Step 1: Logo and Banner of SchoolSince it's a parent contact form, make sure you always add the logo and theme banner of your school. It makes the document patent and official to use. Provide a stamp of the logo and your school's tagline to the center alignment of the document. Add the affiliated board of the school and the title 'Parent Feedback Form' below the school logo, mentioning the classes.Step 2: Ask for Basic DetailsIt is important to know who has filled up the form. So below the previous section, ask for the details of the parent like name, contact number. Make sure you ask for their ward's name and his class number. These details will help you to identify the student and parents individually.Step 3: Use the Likert ScaleLikert Scale is usually used for these kinds of surveys in any feedback form. Write the categories like cleanliness, food, campus, teaching methodology, sports, library facilities, and other such activities to the left side while the rating scale to the right. Don't add more than four rating measures: Good, Satisfactory, Requires Improvement and No Opinion.Step 4: Ask for Any Required ChangesIn the next section, you can ask if the parent has seen any signs of improvement in his ward. You can add different criteria like communication skills, social etiquette, values and attitude towards studies. Here you can use the grading system to measure the degree of each category.Step 5: Quality FeedbackEvery contact form should have a section of feedback. This shows that you value the feedback of the parents and consider pondering upon your limitations to improve and provide better service. Leave a section of space for the parents to provide their opinions and views regarding what needs to be upgraded for quality purposes.arkansas.govDetailsFile FormatSize: 59.6 KBDownloadThis Parent Information and Contact Preference form in PDF has been created for your school convenience.
